Dear Business Owner,

September 17, 2018

Our warm busy summer is coming to an end. We here at RLSC are gearing up for another fantastic snowmobile season.

Just a few perks from last season. The Maine Snowmobile Association and Bureau of Tourism met with our club officers and were treated to a guided snowmobile ride. During that ride, we were able to show them our wonderful trail system, and also communicate on why tourism in our area is so important. They were very receptive, and promise to push more Maine tourism to the mountains.

The RLSC also was able to forge a relationship with the Arnold Trail System. This relationship is important specifically because the Arnold Trail System and Rangeley Trail System are the two largest in the state, providing a wider range of premier riding miles.

Membership numbers have nearly doubled since 2014. We've grown from 390 members in 2014 to 725 members this past season. We will continue to grow with our online membership forms, Facebook interaction and the several fundraising events we do every year. Our biggest event Snodeo 2019 will be held January 24,25 & 26. Please check our website for all fundraising events at [rangeleysnowmobile.com](http://rangeleysnowmobile.com).

Our primary focus here at the Rangeley Lakes Snowmobile Club is of course a smooth and beautiful trail system. In doing so, we attract riders here who may have otherwise chosen another destination. Please help us to reach as many people as possible. We want them to come here to Rangeley, and keep coming back.

Thank you for your generosity and support. It is essential to the longevity of the snowmobiling community that chooses to ride the Rangeley Lakes Area.

Sincerely,

Your friends at the Rangeley Lakes Snowmobile Club.
