Dear Business Owner,

September 17, 2020

Hopefully everyone is healthy, safe and back to a more normal life. We, here at the Rangeley Lakes Snowmobile Club are anticipating a great snowmobile winter.

It is our hope to continue fundraising efforts through our numerous events during the winter months. In this time, of course anything can happen. Therefore, we will concentrate on our membership drive full force, our calendar raffle and business sponsorships.

This year the RLSC was awarded the “Largest Club In Maine” by the Maine Snowmobile Association with over 1,000 members! We will continue to capture that funding through our membership drive for 2020-21 riding season. Businesses like yours are essential in helping promote memberships. If you would like to help, we can provide your business with membership mailing cards, and a QR scan code for direct connection to our online membership.

With your support this past season in conjunction with State grants, the RLSC purchased a new piece of equipment called a “DUBE” drag. This investment will reduce groomer time and hours in high traffic areas of our trail system. It is always our goal to maintain the highest level of quality trails by reinvesting in our equipment and maintaining a constant maintenance schedule.

By combining our efforts, and everyones participation in this sport and town that we love, it is our hope of a profitable and successful winter season.

Lastly, if you would like to be on the map please email Mary Brey at mwbrey@gmail.com at your earliest convenience. Space is very limited and deadline is October 15th.

Sincerely,

Your friends at the Rangeley Lakes Snowmobile Club
